

## **C5 Corvette Rear Tow Hook**

Part Description: aFe Control PFADT Series Rear Tow Hook

Part Number: 450-401003-R

Applications: Chevrolet Corvette (C5) 97-04

## Installation:

The rear C5 Tow hook bolts in to existing holes that are on the frame. The tow hook fits nicely between the stock exhaust hanger and the frame utilizing the factory studs for the exhaust.

The tow hook can be mounted on either the right or left side of the car.
